Slide 1			

• These slides have a title and subtitle.

< ≣⇒

- These slides have a title and subtitle.
- There are sections and subsections.

< ≣ >

- These slides have a title and subtitle.
- There are sections and subsections.
- This slide is in a section and subsection.

- These slides have a title and subtitle.
- There are sections and subsections.
- This slide is in a section and subsection.
 - Which means all slides must be in a section *and* subsection! (For sectioning consistency.)

- These slides have a title and subtitle.
- There are sections and subsections.
- This slide is in a section and subsection.
 - Which means all slides must be in a section *and* subsection! (For sectioning consistency.)
- Not even rst2beamer currently identifies all this sectioning correctly (because of the subtitle).

A slide in a new subsection.
